

Introducing...

DuraFon-UHF Dual-Mode Radio Phone

The Industry's Only Durable, Long-Range Cordless Phone AND UHF 2-Way Radio in One!

The dual-mode radio phone, DuraFon-UHF-HC Handset is the industry's only durable, long-range cordless phone with a UHF 2-way radio, and Push-to-Talk, that allows communication with both UHF 2-way radios and phone users.

The DuraFon-UHF-HC Handset works with a DuraFon PRO Base Unit (sold separately) to provide the telephone line connection. It's ideal for employees that need to make and receive calls and want the added convenience of communicating with other personnel using UHF 2-way radios in the area.

- UHF 2-Way Radio Compatibility (e.g.: Motorola CLS/CLP)
- Superior Long-Range, Crystal Clear Phone Calls to 250,000 sq. ft. in Retail or Warehouse Settings
- Ruggedized Handsets Offer Proven Durability in the Most Challenging Environments
- Handset-to-Handset Intercom Calls & Broadcasts to Handset Groups Reduce Noisy Chatter
- Offers Reduced Interference by Operating Independent of Crowded DECT & Wi-Fi Phone Frequencies

Benefits & Features:

> On-Premises Mobility for Managers and Staff

- Exceptional Coverage of Up to:
 - 250,000 sq. ft. (Retail/Warehouse)
 - 12 Floors of Penetration (In-Building)
 - 3,000 Acres (Open Land)

> Single Handset for Communication Flexibility

- No Need to Carry Both a Phone and a 2-Way Radio, a Single Handset Offers:
 - UHF 2-Way Radio
 - Long-Range Cordless Phone
 - Private Intercom between DuraFon Base Registered Handsets

> Easy Integration and Deployment

- Compatible with:
 - Motorola CLS / CLP UHF Radios
 - Analog Phone Lines or PBX Ports

> Durable and Reliable Handset

- Handset is Ready for Demanding Environments:
 - Drop-Tested
 - IP55 Ingress Protection Rated
 - FCC Certified
 - 1 Year Factory Limited Warranty

Ideal Users:

- Retail/Grocery Stores
- Restaurants
- Schools
- Theaters
- Hotels/Motels
- Family Entertainment Centers
- Warehouses/Manufacturers
- Event & Religious Venues

Notes:

1 Telephone function requires Handset to be registered and linked to a DuraFon PRO Base Unit (sold separately) that has phone line access.

2 DuraFon Exclusive Private Intercom and Exclusive Group Broadcast are features available with the DuraFon-UHF HC, DuraFon PRO-HC and DuraWalkie Handsets.

Actual range can vary depending on many factors including environmental conditions, distance between handsets and base stations, radio interference in the operating environment, and mix of devices in the network. Features and specifications subject to change without notice. Motorola is a trademark of Motorola Trademark Holdings, LLC. EnGenius, DuraFon and / or DuraFon-UHF are not associated with nor endorsed by Motorola Solutions, Inc. Many other makes and models of UHF radios work with the DuraFon-UHF-HC handset. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference, the user is encouraged to try to correct the interference, see User Manual for additional information. **Base Station:** This equipment complies with FCC radiation exposure limits and should be installed and operated with minimum distance 20cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. **Handset:** This equipment complies with FCC radiation exposure limits. End users must follow the specific operating instructions for satisfying RF exposure compliance; to do this, please follow operation instruction as documented in the User Manual. This device complies with RSS-210 of the Industry Canada Rules and with IC radiation exposure limits.
