

# Neutron Series 30-Day Risk-Free Trial Program

## Official Rules and Regulations

This program is for Resellers and End-users only (excludes DMRs and distributors), and is sponsored by EnGenius Technologies, Inc.

### Program Details and Qualifications

#### The Program and Products

- > Resellers and End-users try any Neutron Series EWS products during the 30-Day free trial period.

#### How It Works

- > Try any EnGenius Neutron Series product at a discounted cost. For more product information please go to our website at <https://www.engenius.tech.com/neutron-30-day-risk-free-trial.html>.
- > A request for purchase can be made at the URL: <https://www.engenius.tech.com/neutron-30-day-risk-free-order-form.html>.
- > EnGenius will ship EWS product to Reseller/End-user via FedEx service. Must be a company address, no residential addresses.
- > A credit card will be charged for up to 30% off the MSRP prior to shipping trial units. 30-Day Trial time begins upon receipt of product.
- > If Neutron Series products do not fit the Reseller/End-user's needs, simply contact EnGenius support at [support@engenius.tech.com](mailto:support@engenius.tech.com) for a return label and ship trial units back to EnGenius. The credit card will be credited.

#### Qualifying Partners

- > This discount Trial Program is only available to Resellers and End-users, and excludes DMRs and Distributors.

#### Trial Promotion Limits

- > This promotion is available for a one-time Neutron Series product purchase for each Reseller/End-user during promotion period.
- > Trial units are for evaluation purposes only and not intended for resale.
- > Promotion item limited to quantity of one (1) per product.

#### Discounts

- > A discounted price for each Neutron-Series (EWS) SKU in single purchase during Trial period with costs as follows: (see next page)
