

ARE YOUR EMPLOYEES ON THE RUN?

FreeStyl 2: FUGITIVE

WANTED FOR:

Increased productivity of staff,
Better customer support of guests,
Improved property safety and security

LAST SEEN:

Assisting customers at hotel bellhop stations, concierges, pool, and front desks—everywhere staff is on the run.

DESCRIPTION:

Sleek black lightweight handset; elegant desktop base unit and stylish charging cradle.

- Push-to-talk broadcast
- Full-duplex, handset-to-handset intercom
- Long-range single-line base unit
- 900 MHz to outperform DECT, 2.4 & 5 GHz
- Standby time: 2+ days; Talk-time: 5+ hours
- Expandable to 9 handsets

MODUS OPERANDI:

Criminally great coverage.
Provides long-range telephone and handset-to-handset two-way radio coverage up to:

- 100,000 sq. ft. (restaurant / store),
- 6 floors (office / hotel), and
- 10 acres (grounds / pool)

SPECIAL CIRCUMSTANCES:

Staff can easily be directed to where the need is to service guests. By carrying the handset with them, calls are not missed even while away from the staff's station. Safety and security

concerns are communicated immediately to be addressed.

Don't let this one get away!
